MEMBER OF MELIÁ COLLECTION

Dear players,

From 17th to 21st June 2023, the TENERIFE PRO GOLF OPEN 2023 will be the first PRO GOLF TOUR tournament to be held on the Canary Islands. At the same time, it is also the first co-sanctioned tournament between the PGT and the Alps Tour.

The venue is the beautiful BUENAVISTA GOLF RESORT MELIÁ HACIENDA DEL CONDE at Buenavista del Norte in the north of Tenerife. Designed by Severiano Ballesteros, the championship course is certainly one of the best in the Canary Islands, if not in all of Spain. Beautifully situated and a great challenge for any golfer.

Away from the touristic hustle of Tenerife, the resort is idyllic and quiet, right on the Atlantic Ocean.

We would be delighted if you could spend not only a wonderful, but also a particularly successful time here in Tenerife.

In order for you to be able to devote yourself intensively to playing the most successful tournament possible, we have worked out a special offer for all participating players and caddies in cooperation with Meliá Hacienda del Conde, which we present to you below.

After your arrival in Tenerife, you will have your transfer from the airport to the hotel organized by us. There you will be accommodated in great junior suites, have a gym at your disposal and will be provided with excellent breakfast and dinner. The hotel shuttle will take you to the golf course in a few minutes. During the day at the golf course, you can enjoy the player's lounge in the clubhouse with a corresponding lunch menu at a reasonable price. The shuttle will of course bring you back to the hotel, where you will find all the amenities of a 5-star resort. After finishing the tournament and for your departure, we will also organise your transfer to the airport.

We would be delighted if this all-round package appeals to you and look forward to hearing from you. Please don't hesitate because we will be happy to answer any questions you may have at any time and remain at your disposal until then.

With kind regards

JZ GOLF TENERIFE
